FIG. 10

FIG. 10 is a diagram of a user input form, designated by the reference numeral 241. The form is enclosed in a rectangular border and contains three distinct input fields, each preceded by a label. The first field is labeled "USER ID" and is associated with the reference numeral 251. The second field is labeled "PASSWORD" and is associated with the reference numeral 252. The third field is labeled "MAIL ADDRESS" and is associated with the reference numeral 253. Each field is represented by a horizontal rectangular box. A bracket at the bottom center of the form indicates the entire assembly is designated by the reference numeral 241.

FIG. 13

A diagram of a form, labeled 261, containing four input fields. The fields are arranged vertically and are each preceded by a label. The first field is labeled 'USER ID' and is associated with reference numeral 251. The second field is labeled 'PASSWORD' and is associated with reference numeral 252. The third field is labeled 'MAIL ADDRESS' and is associated with reference numeral 253. The fourth field is labeled 'ALIAS ID' and is associated with reference numeral 254. The entire form is enclosed in a rectangular border, and the reference numeral 261 is positioned below the border with a line pointing to it.

FIG. 31

FIG. 31 is a schematic diagram of a user interface form, designated by the reference numeral 261. The form is enclosed in a rectangular border and contains the following elements:

- A label "USER ID" positioned above a horizontal rectangular input field.
- A label "PASSWORD" positioned above a second horizontal rectangular input field.
- A radio button, represented by a small circle with a dot inside, followed by the text "IS THIS A PRESENT?".

The reference numeral 261 is located to the right of the form, with a curved line pointing to the right border of the form's container.
